Silvopastoral systems in Jordan: using Non-Wood Forest Products (NWFPs) for animal feeding (case study)
Bashir Abdel Hafes (NARC)
Towards appropriate policies to address the needs of Agroforestry systems
Claudia Consalvo and Andrea Pisanelli (CNR IRET)
<i>Questions and Answers from the audience</i>
Open invitation to join the LivingAgro ICT platform
The Livingagro team |
| 18.10 | <i>End of workshop</i> |

LIVINGAGRO project has been funded by the EU under the ENI CBC Mediterranean Sea Basin Programme 2014-2020. The total budget of **LIVINGAGRO** project amounts to 3.3 Million € with an EU contribution of 2.9 Million € (90%). Grant Contract n. 38/1315 of 29.08.2019.

The **2014-2020 ENI CBC Mediterranean Sea Basin Programme** is a multilateral Cross-Border Cooperation (CBC) initiative funded by the European Neighbourhood Instrument (ENI). The Programme objective is to foster fair, equitable and sustainable economic, social and territorial development, which may advance cross-border integration and valorize participating countries' territories and values. The following 13 countries participate in the Programme: Cyprus, Egypt, France, Greece, Israel, Italy, Jordan, Lebanon, Malta, Palestine, Portugal, Spain, Tunisia. The Managing Authority (JMA) is the Autonomous Region of Sardinia (Italy). Official Programme languages are Arabic, English and French. For more information, please visit: www.enicbcmed.eu.

The **European Union** is made up of 27 Member States who have decided to gradually link together their know-how, resources and destinies. Together, during a period of enlargement of 50 years, they have built a zone of stability, democracy and sustainable development whilst maintaining cultural diversity, tolerance and individual freedoms. The European Union is committed to sharing its achievements and its values with countries and peoples beyond its borders.

Partnership - Leading Beneficiary: Regional Forest Agency for Land and Environment of Sardinia (Fo.Re.S.T.A.S.), Italy - Partners: Italian National Research Council, Department of Biology, Agriculture and Food Science (CNR); National Agricultural Research Center Jordan (NARC); Lebanese Agricultural Research Institute (LARI); Mediterranean Agronomic Institute of Chania Greece (MAICH); ATM Consulting S.a.s. Italy (ATM); Associated Partners: Autonomous Region of Sardinia, Dept. of Environment defense; Autonomous Region of Sardinia, Dept. of Agriculture and agro-pastoral reform; Coldiretti Sardinia; Regional Association of Sardinian Breeders; The Lebanese University (Faculty of Agronomy, Beirut)
